CHOOSING A YEAR 10 COURSE 2018

The subject choices you are about to make for Year 10 are the most important ones you will be required to make so far. As well as your likes and dislikes, your strengths and your weaknesses you have to allow for:

- Selecting a unit from each of the Required Areas,
- Assumed knowledge for units you may wish to study at a higher level.
- Be aware this is a preference list, subject availability is dependent on demand.

For specific subject information, please refer to Renmark High School’s website:  
www.renmarkhs.sa.edu.au

In summary, Year 10 students must study:

- A full year of English and/or English as a Second Language
- A full year of Mathematics or Numeracy
- A full year of Science
- At least one semester of History
- At least one semester of Health & PE (4 choices)
- One semester of Personal Learning Plan
