There are more choices available to you than as a Year 8 student - but there are more decisions for you to make. Use your experience to help you decide. As well as your likes and dislikes, your strengths and your weaknesses you have to allow for:

- Selecting a unit from each of the Required Areas,
- Assumed knowledge for units you may wish to study at a higher level.
- Be aware this is a preference list. Subject availability is dependent on demand.

For specific subject information, please refer to Renmark High School’s website:
